Dear Dr Pegg

re: 172-96 - A new paediatric syndrome: Enteritis and disintegrative disorder following measles/rubella vaccination

Many thanks for your letter. I accept its contents and we will modify our protocol as you recommend and give an annual report of the progress of the study.

We will place a copy of the patient consent form and information sheet in the clinical notes.

With Kind Regards

Yours sincerely

A. Walker-Smith
Professor of Paediatric Gastroenterology
