Dear Doctor Heimlich:

Barbara Faber, Attorney-at-Law

This letter is to inform you that on May 6, 1994 the Institutional Review Board of the Great Lakes Association of Clinical Medicine met and gave approval to your research protocol for the study of "Induced Malaria Therapy in 30 Human Subjects for Treating Immunodeficiency Virus on Positive Individuals".

William J. Faber, D.O.

Enclosed are the minutes of the meeting.

Tammy Geurkink-Born, D.O.

If you have any unusual side effects or problems with your study as it goes along, we expect to be notified about this. Otherwise, we will expect an update in one year.

Lancy T. Klenow, R.N., Ph.D.

Good luck in your study!

George Kludness, Ph.D.

Sincerely,

Irak D. Morgan, M.D.
