

Curriculum Vitae
2002

L. Terry Chappell, M.D.
Family Practice and Preventive Medicine

Born: 12/23/42 in South Haven, Michigan

Secondary Education: South Haven, Michigan

Undergraduate Education:

DePauw University, 1961-1965

B.A. Degree 6/65

University of Michigan 1965-69

M.D. Degree 6/69

St. Benedict's Hospital

Ogden, UT 1969-1970

Medical School:

Internship:

Staff Physician:

- Clover Fork Medical Clinic, Everts, KY 1970-1971

- Lima State Hospital, Lima, OH 1971-72 and 1973-75

- Adams-Brown Medical Center, West Union, OH 1975-76

Medical Director: Allen County Health Dept. - Lima, OH 1974-75

Private Practice:

- Pandora, OH 1972-73

- West Union, OH "Health on Wheels" 1976-77

- Bluffton, OH - 1975 to Present

- Free Health Care Clinic- Lima, Ohio 1992 to present

Hospital Staffs:

Harlan Appalachian Regional Hospital - Harlan, KY 1970-71

St. Rita's Hospital - Lima, OH 1972-75

Lima Memorial Hospital - Lima, OH 1972-75 and 1978 to Present (Retired category currently)

Bluffton Community Hospital-Bluffton, OH 1972-75, 1978 -2000

Chief of Staff in 1979-80

Adams County Hospital - West Union, OH 1975-77

Chief of Staff 1977

Blanchard Valley Regional Health Center - Findlay, OH 1978-2001

Certified by American Board of Medical Specialties:

American Board of Family Practice - 2/77, Recertified in '82, '88, '94, 2000

American Board of Family Practice Certificate of Added Qualification in Geriatric Medicine '94

Certified by Boards not recognized by the American Board of Medical Specialties:

American Board of Metal Toxicology - May, 1985, Recertified in '92, 2000

American Board of Pain Management - October, 1991

International Board of Advanced Longevity Medicine- September, 1999

Licenses: Michigan 1970 to Present

Kentucky 1970 - 1971

Ohio 1971 to Present

Affiliations/Organizations:

- * Lima Academy of Medicine - 1980 to Present
- * Ohio State Medical Association - 1984 to Present
- * American Academy of Family Physicians - 1972 to Present, Fellow 1978 to Present
- * Friends Medical Society - 1978 to 2000
- * American Holistic Medical Association - 1979 to Present
- * Medical Director of Allen Acres (Children's Home) 1979-83 and Agape Homes for the Retarded 1979 - 1987
- * Sole Physician for Free Clinic at Samaritan House, Lima, Ohio (for homeless women & children) October, 1992 to Present, currently at the Lima YMCA
- * Sec/Treas Lima Area Academy of Family Physicians 1981-84
- * Co-founder and President Bd. of Directors Bluffton YMCA (now called Bluffton Family Recreation)
- * Who's Who Directory of Medical Specialists 1977-Present
- * AMA Physician's Recognition Award 1974 to Present
- * Fellow AAFP 1978
- * Advisor Bluffton College School of Nursing & Department of Social Work 1977-1986
- * Ohio Academy of Family Physicians 1972 - Present
- * American College for the Advancement of Medicine '82-Present
 - Board of Directors 1988-2000
 - Fellow 1990 to Present;
 - Elected President-Elect November, 1993
 - President November 1995-1997
 - Chairman of Scientific Advisory Committee. 1998- 2000
- * Assistant Clinical Professor - Wright State Univ. School of Medicine 1976 to Present
- * Assistant Clinical Professor Medical College of Ohio 1982 to 1990
- * Preceptor for students of many professional schools
- * Chairman Task Force for Preventive Health Care & Education- Blanchard Valley Hospital, 1980
- * Listed in Who's Who In Midwest - 1980
- * Lecturer at many seminars and programs, including radio, T.V. and university campuses
- * Great Lakes Association of Clinical Medicine-1984-Present
 - President in 1988 -1989; Board of Directors 1985-1990 and 1999- Present.
 - Secretary of Institutional Review Board for Research Activities 1989 - 2000
 - Coordinator for Scientific Advisory Committee, 1988-Present.
- * Board of Directors - Bluffton Natural Health Chapter 1985 to Present
- * Rheumatoid Disease Foundation 1985 - Present
- * American Society of General Laser Surgery 1987 to 1993
- * American Society of Laser Medicine & Surgery 1988-1993
- * Editor of The Laser News, 1987 to 1993
- * International Academy of Proctology, 1988 to 1993
- * American Association of Orthopedic Medicine - 1989 - Present
- * American Preventive Medicine Association-Board member 1993 - 2000
- * Health Research Foundation, Inc. - Scientific Advisory Board, 1994 - Present
- * American Academy of Environmental Medicine 1994 - 2001 to Present
- * Enzyme Potentiated Desensitization Society-Advisory Board 1998 to Present
- * Board of Directors, International Board of Advanced Longevity Medicine 1998 to Present
- * American Comprehensive Medical Association 2000
- * American Institute of Medical Preventics-Advisory Board 2001 to present
- * International College for Integrative Medicine Board of Directors 2000 to present

Affiliations/Organizations (continued)

- * Nurture Commission Chairperson, First Mennonite Church 2002- present.
- * American Board of Metal Toxicology- Board of Directors 2002-present
- * International Board of Metal Toxicology-Advisor to the Board 2002-present

Major Presentations:

- * "Health Promotion in the Workplace" with Kenneth Pelletier, M.D. as featured speaker. Program Chairman, Great Lakes Association of Clinical Medicine (GLACM) September, 1990 - Dearborn, Michigan.
- * "Organization and Activities of Institutional Review Board" Lecture at GLACM, February, 1990 - Toronto, Ontario, Canada.
- * "Routine Use of Colonoscopy as a Screening Test in Family Practice" Lecture at the annual meeting of Ohio Academy of Family Physicians, August 10, 1991-Columbus, OH.
- * "Office-Based Research and Clinical Guidelines". Program Chairman of GLACM February, 1991 - Chicago, Illinois.
- * "Ethical Marketing of a Medical Practice". Booth presentation at GLACM, February, 1991 - Chicago, Illinois.
- * "Successful Therapies in Incurable Disease". Program Chairman, GLACM, September, 1991 - Cleveland, Ohio. Program qualified for American Academy of Family Physicians Category I Credit.
- * "Hot Seat Panel" - Questions from the audience of international meeting of American College for Advancement in Medicine (ACAM) on treatment with EDTA Chelation Therapy. May 15, 1993 - Dallas, Texas; November 6, 1993 - Colorado Springs, Colorado; May 6, 1993 - Houston, Texas.
- * "Cost Effectiveness of Alternative Medicine in the Workplace". Lecture and Press Conference, GLACM, February 26, 1993 - Pittsburgh, Pennsylvania.
- * "Research Techniques" - Advanced Chelation Therapy Workshop - ACAM, May 5, 1993 - Houston, Texas.
- * "The Correlation Between Improvement in Vascular Disease and EDTA Chelation Therapy - A Meta-Analysis". Lecture with John Stahl, Ph.D., ACAM, May 7, 1993 - Houston, Texas.
- * "Unpublished Data on EDTA Treatment of Vascular Disease". Workshop with John Stahl, Ph.D. - ACAM, May 7, 1993 - Houston, Texas.
- * "Lifestyle Changes That Affect Cardiovascular Disease". Lecture at GLACM Workshop on Treatment of Heavy Metal Toxicity. September 15, 1993 - Cleveland, Ohio.
- * "A Cost-Effectiveness Model to Compare Modalities of Treatment". Lecture - GLACM Meeting on Rapid Results in Patient Care, September 18, 1993 - Cleveland, Ohio.
- * "On-Going Meta-Analysis on the Effectiveness of EDTA Chelation Therapy in the Treatment of Cardiovascular Disease" - ACAM Lecture, November 7, 1993 - Anaheim, California.
- * "Chelation Therapy in the Treatment of Cardiovascular Diseases" - American Academy of Environmental Medicine annual meeting, October 1, 1995 Tucson, Arizona
- * Symposium by Ohio Citizens for Patient Rights. Alternative Treatment for Arthritis. September 28, 1996. Toledo, OH.
- * EDTA and Other Antioxidants in Vascular Disease-ACAM, November 3, 1996. Palm Springs, CA.
- * Alternatives for cardiovascular disease and arthritis. Ohio State Medical School Alternative Medicine Day. March 1996, 1997, and 1998 Columbus, OH.
- * Longevity Medicine In an Office Based Practice-ACAM, Spring 1996, Ft Lauderdale, FL.
- * Research Techniques in Longevity Medicine-ACAM, Fall, 1996. Phoenix, AZ.
- * How to Avoid the Ten Leading Causes of Death-ACAM, May 6, 1999, Orlando, FL.
- * Cardiovascular Risk Factor Assessment with Laboratory Testing. ACAM, May 6, 1999, Orlando, FL.

Major Presentations (continued)

- EDTA Chelation Therapy -Testimony before the Government Reform Committee, U.S. Congress, Representative Dan Burton, Chairman, March 10, 1999
- Alternative Medicine-the Need for Legislation-Testimony before the Health Committee, Ohio State House of Representatives, Representative Dale Van Vyven, Chairman, April 7, 1999
- Beyond LDL: Implications for Cardio Vascular Health and Longevity-ACAM, October 28, 1999 Reno NV.
- Using the Laboratory to Monitor EDTA Chelation Therapy and Aggressively Reduce Risk Factors. ACAM, October 28, 1999 Reno, NV.
- Clinical Laboratory Assessment of the Vascular Patient including the Vulnerable Plaque. Address at the ACAM meeting in Dallas, TX 5/04/00.
- Alternatives to Ritalin. Create Peace in Children conference of the Northwest Ohio Special Education Resource Center, 5/12/00.
- Intravenous and oral adjuncts to improve the results with chelation therapy. Address at GLOCM meeting in Pittsburgh, PA. 9/15/2000.
- Safety and Choice in Medicine-the 5 Pillars of Health. Bethel College Symposium. N. Newton, KS. 11/03/00.
- Research Techniques in Clinical Practice. ACAM meeting in Nashville, TN. 5/12/01
- Medical Expert Testimony before the Danish High Court on Chelation Therapy Research, Copenhagen, Denmark. 5/1/01.
- 5 Pillars of Health- a weeklong major display with multiple speakers at the Mennonite National Conference in Nashville, 7/1/01.
- Underlying Infections as a Cause of Chronic Degenerative Diseases. Senior Concerns Center, Centerville, OH. 11/06/01.
- Organizer of Evidence-Based CME: application of the ICIM meeting, March 6-10, 2002 to AAFP.
- Research Techniques in Alternative Medicine: A Workshop with Derrick Lonsdale and Rakish Shukla at ACAM meeting in Nashville, TN, May 5, 2001.
- Published Articles in the Scientific Literature on the Effectiveness and Safety of EDTA Chelation Therapy. A workshop at ICIM meeting in Cleveland, OH, October 1, 2001.
- Using the Laboratory to Monitor EDTA Chelation Therapy and Aggressively Reduce Risk Factors. A workshop at ICIM meeting in Tampa, FL, March 8, 2002.
- Strength of the Evidence talk at ICIM meeting, Tampa, FL, March 7, 2002.
- Environmental Toxins and Risk of Cancer and Other Toxins, Tiffin, OH March 25, 2002

Peer Review Activities:

- Consultant for Ohio State Medical Board for disciplinary investigations regarding Family Practice and Alternative Medicine - 1992 to 1996.
- Reviewer for Alternative Medicine Review A Journal of Clinical Therapeutics Richard Birdsall, Editor-in-Chief. 1996 to Present
- Reviewer to Evaluate Articles Submitted for Publication: Journal of Advancement in Medicine 1993 to 1999.
- Online Journal of Alternative Medicine - 1993 to 1999.
- Reviewer for Prevention is Basic to Health Reform, a major position paper from Partnership for Prevention, Washington, D.C., March, 1993.
- Reviewer for Alternative Therapies. 1996-present.
- Vital Cast Radio Network Advisor Board of Experts 1999-2000.
- Reviewer and Editorial Board. Clinical Practice of Alternative Medicine. Derrick Lonsdale, Editor-in Chief. 1999-Present

Peer Review Activities: (continued)

Consultant for National Institutes of Health and National Center for Complementary and Alternative Medicine to evaluate request for applications of Chelation Therapy for vascular disease with 4 University professors in Bethesda, MD January 5, 2002. Also consultation in Bethesda in March 2000.

Publications And Awards:

1. Research Award - Ohio Academy of Family Physicians Annual Research Day "Best New Presenter" - August, 1991.
2. Chappell, L.T. - Motivation in Clinical Practice, Monograph, self-published, 1982.
3. Travis, John, The Wellness Workbook for Professionals, Ten Speed Press, 1981. Chapter on preventive medical practice.
4. Trowbridge, J.P. and Walker, M., The Yeast Syndrome, Bantam Books, 1986. Two case reports.
5. Faber, W., and Walker, M., Pain, Pain, Go Away, Ischy Press, 1990. Three case reports.
6. Chappell, L.T., "The Use of Anti-Yeast Therapy and Elimination Diet in Crohn's Disease", Journal of Advancement in Medicine, 1990.
7. Research Award from Great Lakes Association of Clinical Medicine - 1991.
8. Chappell, L.T., and Klenow, N.T., "Joint Stabilization with Reconstructive Therapy", Journal of Advancement in Medicine, 1992.
9. Faber, W. and Walker, M. - Instant Pain Relief, Biological Publications, June, 1991. Case Reports.
10. Brecher, A. and H., 40-Something Forever, Healthsavers Press, 1992. Case Reports.
11. Chappell, L.T., Klenow, N.T., Sielski, J. - "The Comparison of Pap Smears and Colposcopy for the Detection of Cervical Pathology in a Family Practice", Journal of Advancement in Medicine, Fall, 1991.
12. Chappell, L.T., "Identification of Trichomonas Vaginalis in Asymptomatic Women Using Phase Contrast Microscopy and V.I.P. Stain", Journal of Advancement in Medicine, Fall, 1991.
13. Chappell, L.T., et al. - "White Paper on Cost Effectiveness of Alternative Medicine in the Workplace". Prepared for the Great Lakes Association of Clinical Medicine 1993.
14. Chappell, L.T., Stahl, J.P., "The Correlation Between EDTA Chelation Therapy and Improvement in Cardiovascular Function: A Meta-Analysis." Journal of Advancement in Medicine, Vol.6 - No.2, 1993.
15. Chappell, L.T., "Letter to the Editor" of Journal of Advancement in Medicine in response to correspondence from Elmer M. Cranton, M.D., regarding short versus long infusions of EDTA".
16. Runner-up Golden Rule Award, for the Alternative Health Care Clinic at the Good Samaritan House for homeless women and children. April 20, 1994.
17. Chappell, L.T., "Bibliography on Mechanisms of Action of EDTA". Journal and Letter for Doctors, 1994: May; 130:475.
18. Chappell, L.T. "Chelation Therapy, Smoking and Health Care Costs". Letter to the Editor Journal of Advancement in Medicine Vol 7 No. 2 Summer '94.
19. Chappell, L.T., "EDTA Chelation Treatment for Vascular Disease". Journal of Advancement in Medicine, Vol 7 No.3, Fall '94.
20. Chappell, L.T., "Randomized Double-Blind Studies on Sodium-Magnesium EDTA." Journal of Advancement in Medicine, Vol 8 No.2, Summer '95.
21. Chappell, L.T., "The Medicine of Nonviolence." Fellowship, March/April 1995. (reprinted in 3 other publications)

Publications and Awards (continued)

22. Winner, JC Penny Golden Rule Award for Alternative Health Care Clinic, April 26, 1995.
23. Volunteers of the Year Award, Samaritan House, Lima, Ohio, May 17, 1995.
24. Slide presentation on Cardiovascular Disease and EDTA chelation therapy for ACAM, translated into 3 languages, 1994.
25. Chappell, L.T., ed History of the American College for Advancement in Medicine, ACAM Press, 1994.
26. Casdorph, H.R. and Walker, M., Toxic Metal Syndrome, Avery Publishing Group, 1995. Case reports.
27. Chappell, L.T., "EDTA Chelation Therapy Should Be More Commonly Used in The Treatment of Vascular Disease". Alternative Therapies, Vol. 1 No.2, 1995.
28. Chappell, L.T., "EDTA chelation treatment for peripheral vascular disease". Letter to the Editor Journal of Internal Medicine No. 237: 429-434.
29. Citizens For Health Outstanding Service Award, for Outstanding Health Freedom Activist. November 11, 1994
30. Godfrey ME, Frackleton JP, and Chappell LT. Chelation therapy for intermittent claudication. NZ Med J. 1994; 107:495.
31. Presidential Commendation Award, ACAM, November 2, 1995. Demonstrating the higher standard of which the art and science of medicine can and should be raised.
32. Chappell, LT, "Chelation Therapy". Letter to the Editor Circulation Vol 92, No 8 September 1, 1995
33. Godfrey ME, Chappell LT. "Chelation therapy for intermittent claudication- a reappraisal". NZ Med J, 109:83 March 8 1995
34. Chappell, LT, Janson, M. "EDTA Chelation therapy in the treatment of vascular disease". J Cardiovasc Nurs 1996;10(3):78-86
35. Chappell, LT, "Disputes author's conclusions on effectiveness of EDTA Chelation Therapy." Letter to the Editor Alternative Therapies 1996; Vol.2 No.5.
36. Chappell, LT, Whitaker, J., Janson, M. A Challenge to Cardiovascular Surgeons. A Guest Editorial. Journal of Advancement in Medicine. Vol 8, No.3 Fall 1996.
37. Volunteer of the year award, Specialized Alternatives for Youth, Nov. 1996.
38. Chappell, LT. Questions from the Heart, Hampton Roads, VA. Aug.96.
39. Shuck JR, Chappell LT, Kinkness G. Causal Modeling and Alternative Medicine. Alternative Therapies 1997; 3:40-47.
40. Chappell, LT. Applications of EDTA Chelation Therapy. Alt Med Review 1997;2:426-432.
41. Outstanding service award. American Preventive Medicine Association. 1998
42. Chappell, LT. Research Priorities in Alternative Medicine-a survey. JAMed 1999; 12:201-207.
43. Chappell LT, Wilson J. Chelation Therapy for vascular disease (letter). Circulation 1999; 99:1, 164-165.
44. Chappell LT. Research Priorities in Alternative Medicine (a poster presentation). Ohio Academy of Family Physicians Research Day. April 24, 1999.
45. Chappell LT, White Paper of Safety in Medicine. Townsend Letter for Doctors. November 2000. 92-97.
46. Chappell, L.T., Using the Laboratory in Longevity Medicine in The Advanced Guide to Longevity Medicine, Edited by Ghen, M.J. Partners in Wellness, Landrum, SC. 2001.

Publications and Awards (continued)

47. Chappell LT, Angus RC, Stahl JP, Evans R. Brachial Artery Stiffness as an Outcomes Measurement for Patients with Vascular Disease. *Clin Pract Alt Med*; 2000;1,225-228.
48. Chappell, L. T. Adjuncts to EDTA-Chelation Therapy Used by Experienced Clinicians: a survey. *Clin Pract Alt Med*; 2000;1, 252-254.
49. Chappell, L.T. House bill 90 to protect the practice of alternative medicine in Ohio. Sponsored by Senator Charles Horn and Representative George Terviliger. Passed, signed by Governor Robert Taft, and went into effect October 11, 2000.
50. Chappell, L.T. EDTA Treatment for Vascular Disease: Meta-analyses (2 chapters) in A Textbook on EDTA Chelation Therapy, 2nd Edition. Edited by Cranton, EM. Hampton Roads, Charlottesville, VA. 2001.
51. Chappell, L.T. Coordinating Investigator for a National Registry to Evaluate EDTA Chelation Therapy for vascular disease in cooperation with the Center for Biostatistical Analysis at Univ. of Cincinnati Medical School. 2001 to Present. In progress.
52. Chappell, L.T. Investigator for the use of Nanobac Tx protocol for treatment of pathologic calcium for Nanobac Labs, Tampa, FL. 2001-present
53. Chappell, L.T. Chief Investigator with David Steenblock co-investigator on a clinical trial comparing nutritional supplements, oral Chelation and IV Chelation. 1002- present.
54. Chappell, L.T. Investigator for the use of intravenous aloe vera as an adjunct in the treatment of metastatic cancer. North Texas Research Center. 2000-2001. Publication pending.
55. Chappell, L.T. Investigator for study on the use of enzyme-potentiated desensitization under William Shrader, Chief Investigator, Santa Fe, NM 1993-2000. Publication pending.
